Dear Parents/Carers

Our English unit is based around the true story about four woman who played a huge role during the space race in the 1950s and 1960s- ***Hidden Figures by Margot Lee Shetterly.***

For some of the lessons, we would like to watch brief clips from the film, which is a PG, and at the end of the unit, we would like to watch the whole film.

We feel that watching these clips will contribute towards the children's understanding of the text. Here some examples of the clips that we would like the children to watch, to view them please click on the links below or copy and paste them into your browser:

As the film is a PG, we require your permission to show the children some clips from the film. Please complete the online form to give permission, using the link below.

If you have any questions about this or any aspect of your child's education, please do not hesitate to contact us.
