

All About Me!

Date/s form is completed.....

It is essential that we learn as much as possible about your unique child before they start school so that we can help them to settle and build learning experiences around their interests and needs.

Please complete this form with you child. Write for them anything they say or want to share with us! You might scribe it all for them, they might want to make marks which you can annotate. You might complete it all yourself. Please do what works for you and your child. If you have any questions please contact the school office and speak to Mrs Foster.
