

## Maths

Children will be looking at decimals, money and telling the time on analogue and digital clocks.

There will be a strong emphasis on learning times table facts for all tables by heart, in preparation for the government multiplication times tables check.

Thank you for your support on this at home!

## English

We will be looking at the following texts during our reading into writing sessions.

Moon Seed – poetry and prose

The Selfish Giant

The Alchemists Letter

We will be answering VIPERS questions on each text as well as writing in different styles for different audiences.

## Art/DT

We are explaining watercolour, including using different techniques in our art work. We are learning about the artist Monet.

## Computing

E safety: We will be using technology and Project Evolve to learn more about how we can keep ourselves safe online. We will also be continuing to the stages of learning coding including how to program with "if" statements.

## Geography

We will be learning about the wonderful world of rainforests! We will explore where in the world they are, the impact of rainforests on the planet, the plants and animals that live there and much more.

## Music/French

French: This half term we will be introducing some simple Spanish to the children. This will involve simple greeting and introductions as well as counting to ten and some colours

Music: Exploring how music brings us together and learning and exploring the blackbird song.

## Science

We will be learning about plants and their habitats, which links nicely with our work on rainforests! We will look at different environments and how plants adapt to where they live.

## RE

Our main religion focus this half term is Judaism. We will be looking at how Jewish people make a commitment to god, including learning about Bar and Bat Mitzvahs.

## PSHE

This term we will be looking at "Being My Best", including how to keep healthy, growth mindset, goal setting and achievement.

## PE

This term, we will be focussing on athletics, looking at skills in running, throwing and jumping and learning how to improve our performances.
