

## Maths

Children will be consolidating understanding of place value. We will then move on to looking at addition and subtraction, using standard written methods.

We are trying to encourage the children to learn their times table facts by heart.

## English

We will be looking at the following texts during our reading into writing sessions.

The Boy Who Grew Dragons

Bird on a Wire (short film)

Dragon Slayer (short film)

We will be answering VIPERS questions on each text as well as writing in different styles for different audiences.

## Art/DT

We are exploring form and sculpture, making a Roman amphorae using a range of techniques.

Year 4

AUTUMN Half Term 1

## Computing

E safety: We will be evaluating what we know about keeping safe online using Project Evolve. We will then target the suggested areas so that our children can be safe online.

## History/Geography

We are going to be exploring the impact the Romans had on Britain! We will be looking at what is left from their occupation and what that can tell us about life in Roman Britain.

## Music/French

French: The children will be focussing on sentence building. They will recap and build the vocabulary for colours and how to use them in a simple sentence using a given sentence start.

Music: We will be looking at different rhythms, how we can play them and how we can record them using a graphic score.

## Science

This half term we will be learning about our teeth, their function and how we can keep them healthy. We will also be learning about our digestive system.

## RE

Our main religion focus this half term is Judaism. We will be looking at how and why Jews make a covenant with God.

## PSHE

This term we will be focussing on "Me and My Relationships" and "Valuing Differences".

## PE

This term, we will be honing our skills in invasion games - netball and hockey. We will be practising passing, defending and scoring.
