

English: Reading into Writing

- ◇ The Lighthouse: We will be using visual literacy to support us in writing a narrative, where we will also be recapping Year 4 Writing Objectives to consolidate our learning
- ◇ Kensuke's Kingdom: We will be reading Michael Morpurgo book, based on an island in Japan. We will look at poetry and how imagery can be used to add detail and create atmospheres. We will also be re-writing our own version of a section of the story.

Science

Forces

We will be exploring gravity and the effects of air resistance, water resistance and friction, that act between moving surfaces.

History

Ancient Greece

We will be looking at the influences Ancient Greece has had, what civilisation was like, discuss significant events, understand their religious beliefs, research Greek artefacts and explore Greek myths. We will also have an Ancient Greece day.

PSHE

Me and My Relationships: We will be exploring friendships, class rules, our feelings and how we are all unique.

Year 5 Autumn 1

Music

The children will be learning about different time and forms used in writing music. Concentrating on triple time and how it changes the feel of the music.

French

The children will recap sentence building from Year 4 so that it can be applied to their Year 5 work. We will then build on greetings and introductions including how we can introduce others by using he/she. The children will then look at describing a character.

RE

We will be learning about the core values of Sikhism and what their beliefs are.

Maths

- ◇ Number and Place Value: read, write, compare, order and understand numbers up to 1 million; round numbers; counting forwards and backwards in powers of 10; negative numbers
 - ◇ Addition and Subtraction: Adding and subtracting more than 4-digit numbers, which involve regrouping; mental strategies; rounding to estimate and check; multi-step problems
- We will be using a range of manipulatives to deepen our understanding of these key concepts, which will further support us in solving mastery problems

PE

- ◇ We will be developing a variety of skills within Invasion Games (football, netball, rugby, etc) as well as outdoor adventurous activities where we will be looking at team building and orienteering.
- ◇ As well as the Swimming sessions where we all will be developing and building on the swimming skills from last year.

Computing

We will be developing our understanding of e-safety and how to responsibly use the internet

D&T

We will be focusing on our cookery skills. Focusing on Greek Food and recalling the basic principles of a healthy diet.
